# ABOUT US

What started as part of Hinton’s 60th anniversary celebration in 2021, the “Swing for Hinton, Swing for Hope” charity golf tournament has become a much-anticipated event for both golfers, local businesses, and community members in our rural mountain area.

Not only does the tournament offer golfers a scenic course at Mountain Harbour Golf Club, but it provides a unique opportunity for community, as golfers, sponsors, residents, volunteers, and Hinton staff gather to celebrate our region’s assets and the ways in which we can “walk alongside” our neighbors in need, with the goal that our community is a thriving one for both residents and visitors.

Signs at each hole highlight the ways Hinton serves and supports our neighbors in Clay and Cherokee counties, NC, and Towns County, GA. These include:

- Safe & Healthy Home Repair
- Firewood Ministry
- Christmas Care
- Leadership Chatuge Community Builders
- Mental Health First Aid Training
- Rural Poverty Simulation
- Trails & Sanctuary Gardens
- Meetings/Event Spaces & Services
- Cabins, Cottages, Retreat Houses
